How to get a bug report

To get info about the audio set-up, please follow the next steps.

1. Click "Send bug report" in the menu next to the AIRCAST icon in the toolbar

2. Then in the dialog box click "Details"

3. And then send a report from the window that appears.

The bug report will include all details we need to know to be able to help you.

Thanks

D&R Aircast Support team
